

WROUGHT IRON COOK RANGES!

A number of peddlers are going through the country offering for sale a so-called Wrought Iron Range, for which they ask \$58, or \$63 on time. I have nothing to say about this Range, except that

The Price is Outragiously High in these Days of strong competition.

There are few Ranges that will not cook well when set to a good flue. I am agent for

The SOUTHERN QUEEN WROUGHT STEEL COOK RANGE!

Made of best quality No. 14 Wrought Steel, and having all the improvements known to the trade attached. Prices on Range for 6 hole, No. 7, with 32 pieces of trim-
